## What's New...

### Message from the Director

Each new year we all make goals or "resolutions" to challenge us to be better versions of ourselves. We choose to grow through travel, weight loss, financial freedom, organization; many of us make a commitment to grow in some area of our lives. At Kids 'R' Kids we want to grow as well, last year we asked for feedback on how we could challenge ourselves for 2016. And made changes over the year based on our parent feedback; yearlong preschool classrooms, specific breakfast time, infant class assignment and a weekly menu versus a monthly menu. The feedback you provide gives us a guide in how we can plan and make goals for 2017. We will be sending out an "ONLINE" parent survey via Tadpoles in January we look forward to your feedback.

Thanks in advance for your help.

Amber Bishop, M. Ed.  
Director

### Electives

As we head into the New Year we want to take the time to make sure you are aware of some electives that are offered here at Kids 'R' Kids for an additional monthly fee. There are pamphlets at the front office for Stretch 'N' Grow, Amazing Athletes and Happy Feet. These programs will resume their regular schedules just after New Years, but your child can join at any time. Now is the perfect time to let your child enjoy one of these programs, that will encourage them to grow physically and engage them mentally through nutritional education. Please let us know if you have any questions.
